

Remarks

Before examination of the application, please amend the claims as indicated above. In particular, please cancel all previously pending claims and substitute new claims 45-71.

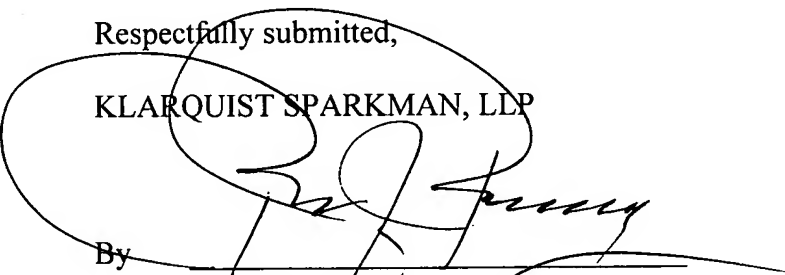

The claims newly submitted herein are identical in number and content to the claims that appear in the Preliminary Amendment of December 8, 2005. New claims 45-66 respectively generally correspond to claims 1-6, 14-22, and 33-39 of the international phase application.

This amendment is submitted only to clarify the numbering of the claims, not to change the scope of the claims in any regard.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
